L.P. GOODRICH HIGH SCHOOL

Fond du Lac, Wisconsin

Every crowd, every group of people, whatever the reason for existing, is composed of individuals. When you have broken all down to the last factor, you reach the human element. Strip away all the facades of group–identification and underneath you will find individuals. Each one is different, each one possesses worth, each one has a soul. We each have our own desires, our own aims––hopes––goals––our own needs.

This is the purpose of Goodrich High School––the reason for its existence––to serve us, not as a group, a mass, but as individuals. Always striving to meet the needs of as many of us as possible––always striving to develop distinct individuality.

Yet often we betray ourselves and the purposes of our institutions by allowing ourselves to be molded into patterns––we lose ourselves in the crowd––we try to cover up and destroy our individuality. It is easy to do. . .

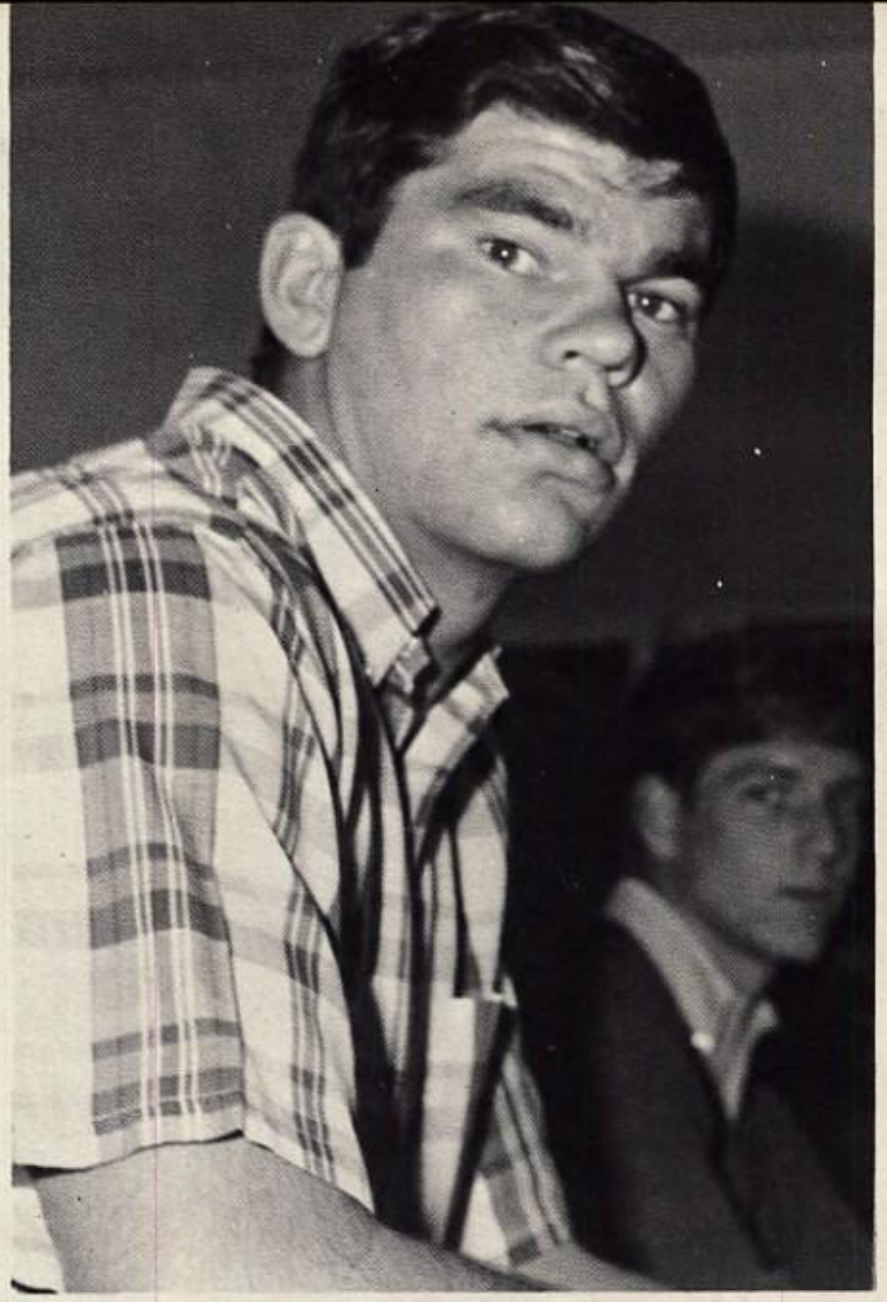
Mel Freund, Brian Rickli, Joe Klinzing, Mike Galles, Kev Smith, and Steve Zimmerman get together after a long vacation and discuss what their strategies will be this year as juniors.

Senior, Greg Henry, waits his turn to be called onto the field.

Junior harrier star, Dave Gustin, exerts a final burst of energy to come in first in a cross-country meet held at Lakeside Park.



Joe Blitzke, senior full-back, and teammate, Dave Briggs, begin another morning in their rollroom, 155.

To Dampen Homecoming Spirit

ABOVE LEFT: The rain seems to be the least of their worries as Queen Sue Acord and Princess Karen Albrecht smile and wave during the half-time ceremony. LEFT: First-place club float-French Club's "We've Got Tower Power." ABOVE: Don Eiring carries the ball in an attempt to reach Sheboygan North's goal line. Although the attempt was unsuccessful and Fondy was downed 3-0, the spirit of the Cardinals soared as high as ever before.

The Sadie Hawkins dance, held in the fall of this year, again provided an opportunity for the girls to catch their favorite guy.

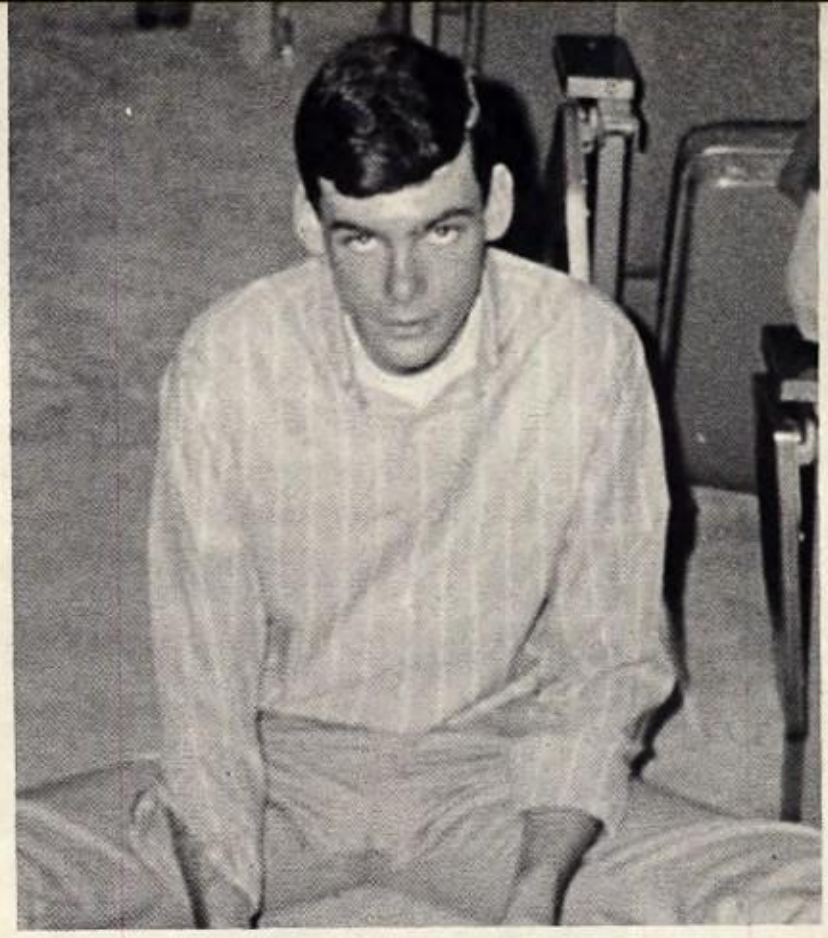
Junior Varsity Beauties: Dianne Burgess, Laura Rose, Sue Oldfield, Kathy Searl, Nancy Landerman, Julie Graves, and Mindy Maars charm both players and spectators with lively cheers.

Vital Happenings Occur Everyday

There are no slopes at Goodrich, but this year the Ski Club was the schools most popular organization. Here, they are shown discussing snowy expeditions.



ABOVE: Some students find the weirdest places to do their homework and senior class president, Ray Merwin, is no exception. LEFT: The Turtles captured the intramural flag football championship for the second straight year with a 13–0 record. Members of the team include (L–R) Dave Wagner, Rick Gulbrand, Jon Gruenstern, Jerry Cardinal, Pat Collver, and Bob Pitzen.

Kathy Stahla and Karen Albrecht help the Pom Pom Girls with their bake sale.

Brian Felda goes in for two points against Green Bay Southwest.

Anne Martin as Eliza Doolittle and Jim Zweigler as Professor Higgins are shown at Ascot with some of England's elite society.

Talent, Practice, Hard Work Make "My Fair Lady" A Success

Alfred P. Doolittle, Steve Groh, puts on his make-up for the evening's performance of "My Fair Lady."

"My Fair Lady", described as "wise, witty, winning, elegant and superb", was chosen by director Alan Lemery as this year's musical production. Casting was begun in June with intensified rehearsals starting in September for the November 9, 1967 opening night. The play ran for four nights of two weekends -November 9 and 11; and 16 and 18.

By far, the most well-known musical of their career, Lerner and Loewe made it famous for such songs as "Wouldn't It Be Loverly", "With a Little Bit of Luck", "I Could Have Danced All Night", "On The Street Where You Live", and "Get Me To The Church On Time". The story adapted from Bernard Shaw's "Pygmalion", is about a young flower girl, Eliza, who is determined to become a lady through the help of a rather self-centered professor, Henry Higgins. The scene is set in early 1900's England.

Leading roles went to Ann Martin and Dianne Hull who alternated the lead as Eliza Doolittle, Jim Zweigler as Professor Henry Higgins, Dan Mauthe as Colonel Hugh Pickering, Steve Groh as Alfie Doolittle, and Steve Krueger as Freddy Eynsford-Hill.

LEFT: Rollrooms were in competition once again for the door-decorating contest sponsored by the student council. Mr. Bob Johnson's rollroom 330, represented by Barb Kroes, won this year's contest with their entry "The Christmas Rose."

Jim Bond knew his Christmas was complete when Santa presented him with the "Blaster Award" for football 1967.

Master of Ceremonies for the 1967 Christmas Program was Ray Merwin. He introduced Santa to the assemblage and three wishes were made to Santa from a representative of each of the three classes. Various clubs were also represented by members of the student body who in turn told their Christmas wishes to the jolly felow. Miss Fond du Lac, Dianne Hull, was also present, and she made a special wish for the city of Fond du Lac.

LEFT: Rollrooms showed their Christmas spirit by entering the decorating contest held during the week of December 18-22. Betty Zyduck is shown putting the finishing touches on "Snoopy" for her rollroom.

BELOW: The A Capella choir, under the direction of Mr. Alan Lemery, contributed to the holiday spirit by Christmas caroling through the halls.

The annual Winter Formal, held February 3, featured a new twist in environment. The cafeteria provided a close, night club type of atmosphere which was a change from the wide open spaces of the gymnasium.

"The Pleasure of His Company" was presented March 15 and 16 in the Little Theater. The story centered around a somewhat "tarnished international playboy" who returned to his home in San Francisco for the wedding of his daughter whom he hadn't seen since she was a little girl. The comedy by Samuel Taylor with Cornelia Otis Skinner was directed by Mrs. Judy Cain.

Sal was graduated from high school in Malaysia and she is a senior at Goodrich this year. She has made lasting friendships and has left her mark at Fondy in international relations.

When Sal returns to her native Malaysia in June, she will enter pre-university classes. Once in college, she plans to major in economics and do some work in journalism.

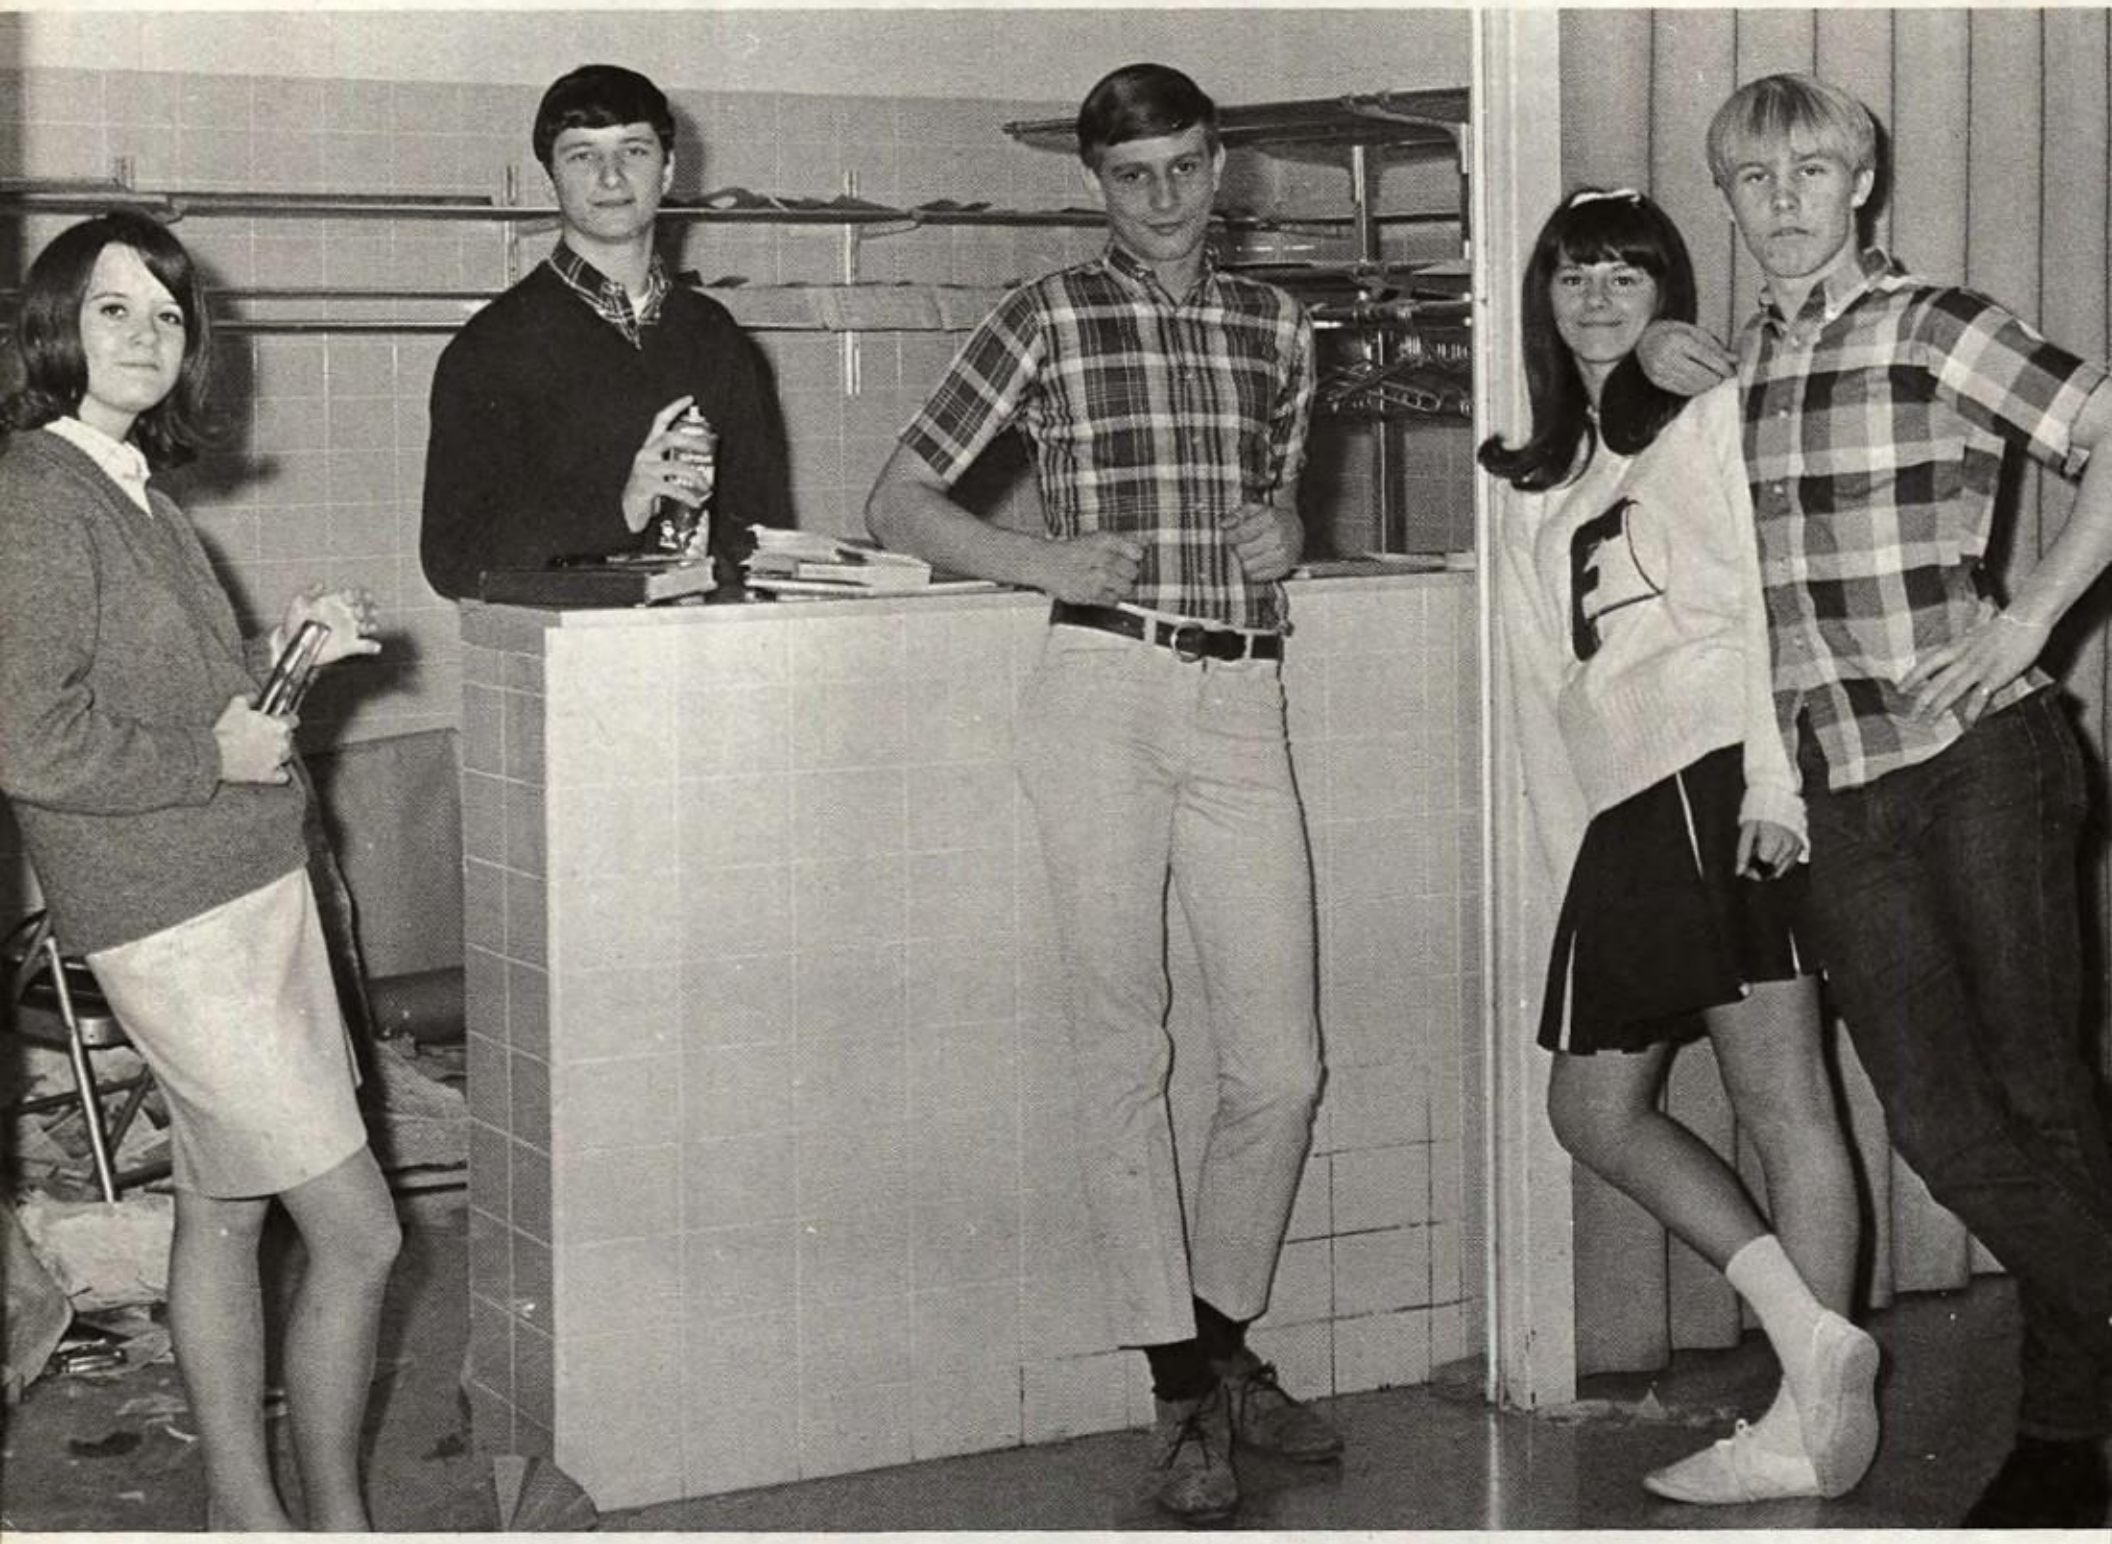
The Many Faces Of Fondy—



Creators, Learners, Performers . . .

. . . STUDENTS

While learning from all facets of high school life–extra curricular, cultural, and social–the student acquires the bulk of his education from books and classwork. Life here at Goodrich is built upon and around study which, if neglected, usually insures a hasty departure from the select group of people whose members have earned the right to be called "students."

From those who study at a steady pace beginning the first day of the semester to those who depend on the final cram for a grade, students engage in this activity with as great a variety of attitudes as the number of personalities in the school. For some it is met with loving enthusiasm; for others it is merely an unpleasant means to an end–a diploma. At times it seems that the pressure and competition to maintain scholarship is too keen, but, whether of his own accord or by being pushed, prodded, and frightened into it, the student studies.

This phase of high school life may or may not be used to its fullest advantage. It may or may not see its completion in graduation. But, if a diploma is awarded to a student, one is sure that study's compensation–whether grades, a good position in life, or just having matured–is more than ample.

In Memoriam

GERALD SASS GARY HAMILTON

The conclusion of our school year has been saddened by the loss of two fine students, senior Gerald Sass and sophomore Gary Hamilton. Their loss is deeply felt by Goodrich students and faculty members alike. Both boys were popular and very well liked. On December 20, 1967, a tragic accident occurred in which Gerry was taken from us. Gerry's teachers say that he was a good, cooperative student. Gary Hamilton lost his life in a tragic automobile accident March 8, 1968. He also was a cooperative well-liked student.

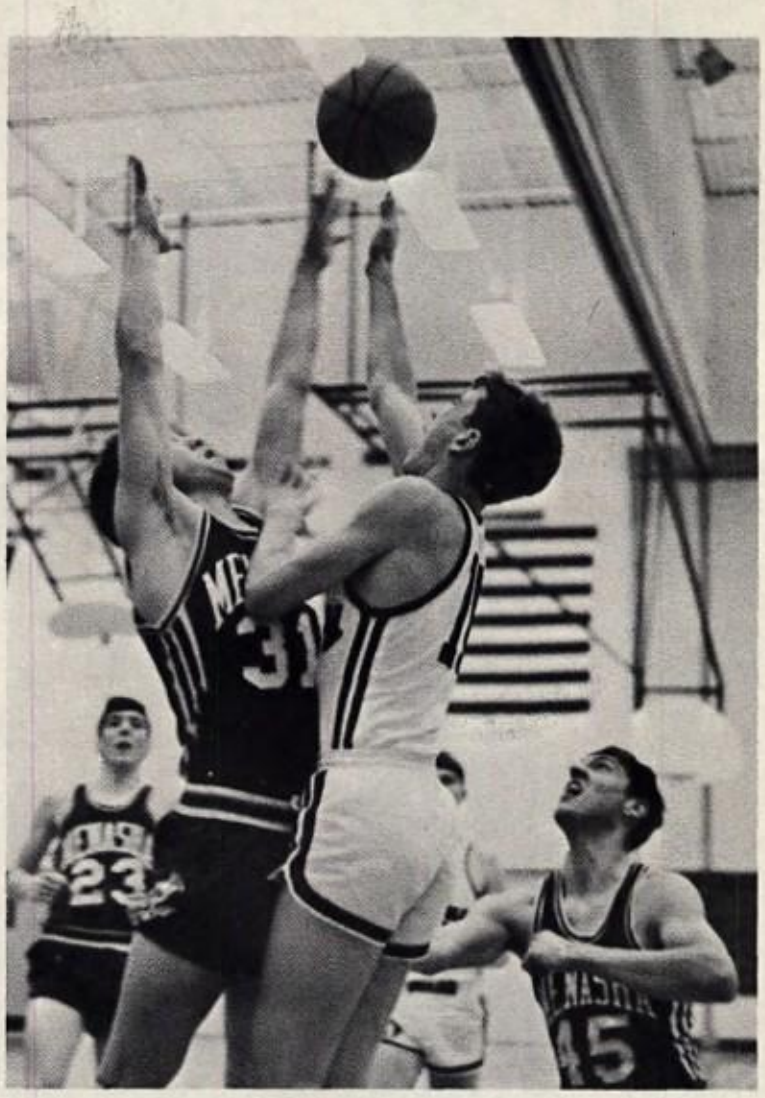
Spirit Of Unity, Loyalty, Determinatio



Flare With Every Game Of . . .

. . . SPORTS

In sports are reflected the enthusiasm and determination of the entire school. Fans and players alike thrill to the tension and pressure of the games. Red and White day brings out the loyalty of students to their school and its colors; buttons crying for victory support a spirit of unity that must be akin to the feeling of nationalism of a people whose country is at war. As game time approaches – be the sport football or wrestling, be the event on Cardinal ground or in Green Bay – anxiety mounts, and fills the air: Will we win? No one will know the answer until the game is over; no one can know until the sweat is caked on the players and the watchers, and a few hard thoughts have been spoken, and maybe a few tears shed. And then when it's all over, perhaps no one will care. There is always another game tomorrow, next week or next year, when the tension and spirit will build up again.

Cardinals Fly High

With the loss of twelve lettermen, including all-conference standouts Larry Bornemann and Dick Diener, head coach Jim Johnson and assistants George Trtan, Wayne Steffenhagen and Dave Bartolutti scanned the 1967 Fox Valley schedule with hopeful confidence. Then, after several weeks of hard, pre-season training, a stunning 18-7 opener against highly favored Oshkosh, with the emergence of hard running and tackling, infected both coaches and players with the bug known as 'winning fever'. In succession, Green Bay East and Green Bay Southwest were dropped in hard fought battles. Both games were featured by a slashing ground attack and murderous linebacking, highlighted by Jim Bond and Joe Blitzke, respectively.

Assisted by a steady rain, Sheboygan North succeeded in derailing the Card juggernaut, dropping them from both first place in the Valley Conference and out of the A.P. first ten ratings. However, the next encounter saw the Fondy eleven not only back on track but picking up momentum. Appleton East, Sheboygan South, Appleton West and Manitowoc fell in order. This sterling, sustained performance enabled the Cards to finish one half game out of first place, first in team defense, and fourth in team offense. In addition, Fondy edged out all other teams in the balloting for all-conference placements. Making the all-conference team were Chuck Averbeck, Jim Bond, Joe Blitzke, Bob Bendrick and Don Eiring. Jerry Resop was named to the second team. Additional outstanding honors went to Joe Blitzke for his selection to the Associated Press all-state defensive team, to Chuck Averbeck for his selection to the United Press International all-state team, to Bob Bendrick for a third team U.P.I. rating, and to Don Eiring and Jim Bond for U.P.I. honorable mention.

Coach Jim Johnson attributed team effort as the most important single factor in the team's success. Also high tribute was paid to the seniors, who contributed immeasurably and will be hard to replace. Senior lettermen lost to the 1968 team are Terry Bestor, Bruce Klintworth, Dan Baker, Scott McCallum, Tom O'Brien, and Ron Spies. An eager group of underclassmen will be trying hard to fill those shoes.

Coaches Bartolutti, Trtan, Johnson, and Steffenhagen.

Joe Blitzke and Chuck Averbeck received outstanding honors for selections to the Associated Press all-state defensive team and the United Press International all-state team respectively. Bob Bendrick received a third team U.P.I. rating and a U.P.I. honorable mention went to Don Eiring and Jim Bond.

For Banner Year

Bob Bendrick, senior end, makes a fingertip catch on quarterback Jim Bogenhagen's 31-yard touchdown pass in a winning game against Manitowoc. It marked the fifth time this season that the two combined on a touchdown play.

Cardinal defense limited Manitowoc's yardage, and this picture shows how it was done. Manitowoc halfback Rick Risch is stopped for no gain by junior end Steve Zimmerman (89) and linebacker Terry Bestor (41). Joe Blitzke (38) and Chuck Averbeck (55) watch their teammates handle the situation.

Head football coach Jim Johnson accepts congratulations from assistants Dave Bartolutti and Wayne Steffenhagen seconds after the Cards whipped Manitowoc. While Johnson is being congratulated, senior guard Ron Spies (53) gets ready to lift the coach for the traditional victory ride. The triumph capped Fond du Lac's finest season since 1948, when Fondy also posted a 7-1 over-all record.

JV's Show Desire To Continue Winning Ways

Sal Curcurrio and Duane Schmidt, coaches of the '67 Jayvees, were proud of the creditable 5-2 record posted by their stalwarts. In establishing this record, opponents were outscored to the tune of 172-34. Strong at both defense and offense, the junior Cards, at one stage of the season, held their opposition to a total of three first downs in three games, and, in the last three outings, established a lopsided scoring margin of 122-6.

The most valuable-player award went to Jake DeNell. Other standouts on this year's capable squad were Steve Schwark, Doug West, Tom Clark, Jerry Kosterman, Chuck Sina, Bill Olson, Dan Adams, and John Hesaker. Ben De Leon, Mike Becker, and Bob Walgenbach were honored by teammates in being elected co-captains.

Doug Mohr and Dick Putz won individual honors for the J.V. squad, again proving that next year's team should be all the more promising. J.V.'s Capture 11 Victories

J. V. Basketball

Coach Dave Bartolutti opened the 1967-68 jayvee basketball season with a squad of 13 sophomores and 2 juniors. Squad members were somewhat taller than usual with main inside men, Bill Olsen, Brian Harney, and John DeNell, all six feet or better. Slightly shorter were the outside players, Doug West, Brian Felda, and Ted Vandeberg. Other members often seeing action were Dennis Giese, Chuck Sina, Steve Krug, Bill Jones, Bob Mauer, Jerry Kosterman, Dan Adams, Steve Schwark, and John McCallum.

In describing his squad, Coach Bartolutti stated that he was extremely pleased with the attitude, desire, and potential of this fine group. He added that the experience of this season, plus the emergence of more positive confidence, could make this aggregation a real winner.

By taking the measure of Appleton West in the last game of the season, the Card Jayvees closed with a 10-6 conference record and an overall 12-6. Scoring was usually quite evenly distributed, with John Bestor and Bill Olsen most frequently leading the parade.

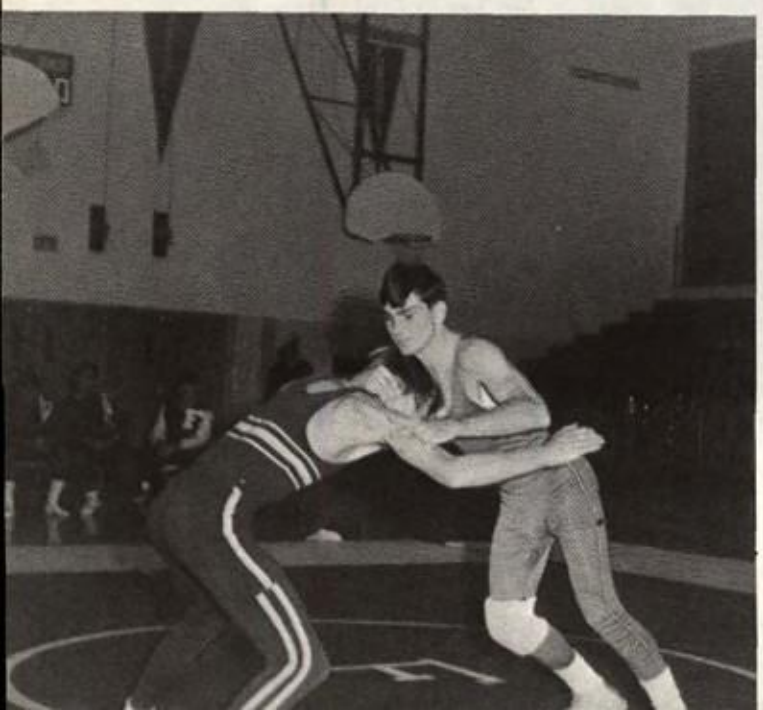
Grapplers Work Hard

Peterson brakes down an opponent on his way to regionals.



Senior grapplers will the Fondy mat to the returning squad.

WRESTLING

Coach Bill Parish ushered in the grunt and groan sport, relatively new at Goodrich, by welcoming a record 92 hopefuls. Since the few lettermen returning were grouped in a narrow weight range, much depended on eager but inexperienced candidates. The 4-5 season record, the first loser since the inception of the activity, doesn't tell the whole story. Though luck, close losses, and injuries hampered the squad constantly.

Excellent individual records were posted by Scott Bergstrom, 7-4; Jack Bera, 10-5; John Rauls, 14-7; Tom Kraft, 8-4; Mike Peterson, 19-5, and Ted Kuhnz, whose season was shortened by injuries, 9-2.

Things looked quite bright for tournament competition; however, the best we could do in the Fox Valley Conference was a second by Kraft and thirds by Rauls and Peterson. In the regionals, three grapplers qualified for futherr competition toward the State. They were Peterson with a first and Rauls and Bera with seconds. All three, however, were eliminated at the sectionals with Rauls being edged out in a heartbreaking, 0-1, overtime match.

With the graduation of only seven seniors, Coach Parish and Assistant Coach Julien Kinzer can look forward to a strong nucleus for the 1968-69 hostilities. Returning to anchor that squad will be such dependable performers as John Rauls, Ted Kuhnz, Duane Johnson, Jim Bauer, and Joe Mengle. Other five prospects are Steve Schneider, Darryl Dudley, Jim Versylus, Benny De Leon, Joe Knuepple, Steve Fero and Damon Miller.

One of three wrestlers to advance to state sectionals, John Rauls.

Lettermen's Club

Under the leadership assumed by Mr. Richard (Louie) Gay and his staff of officers, the club achieved the rank of one of the school's most active and vital organizations.

Among the achievements of the group this year were the Faculty-Lettermen Basketball game and the Lettermen's Dance. The faculty took the upper hand in the game played March 12th winning handily 65-51. The dance was staged March 29th and was hailed as one of the outstanding functions of the year.

The annual awards picnic was held with the Dad-Lad ball game at Lakeside park. Funds earned by the group also paid for the annual scholarship award.

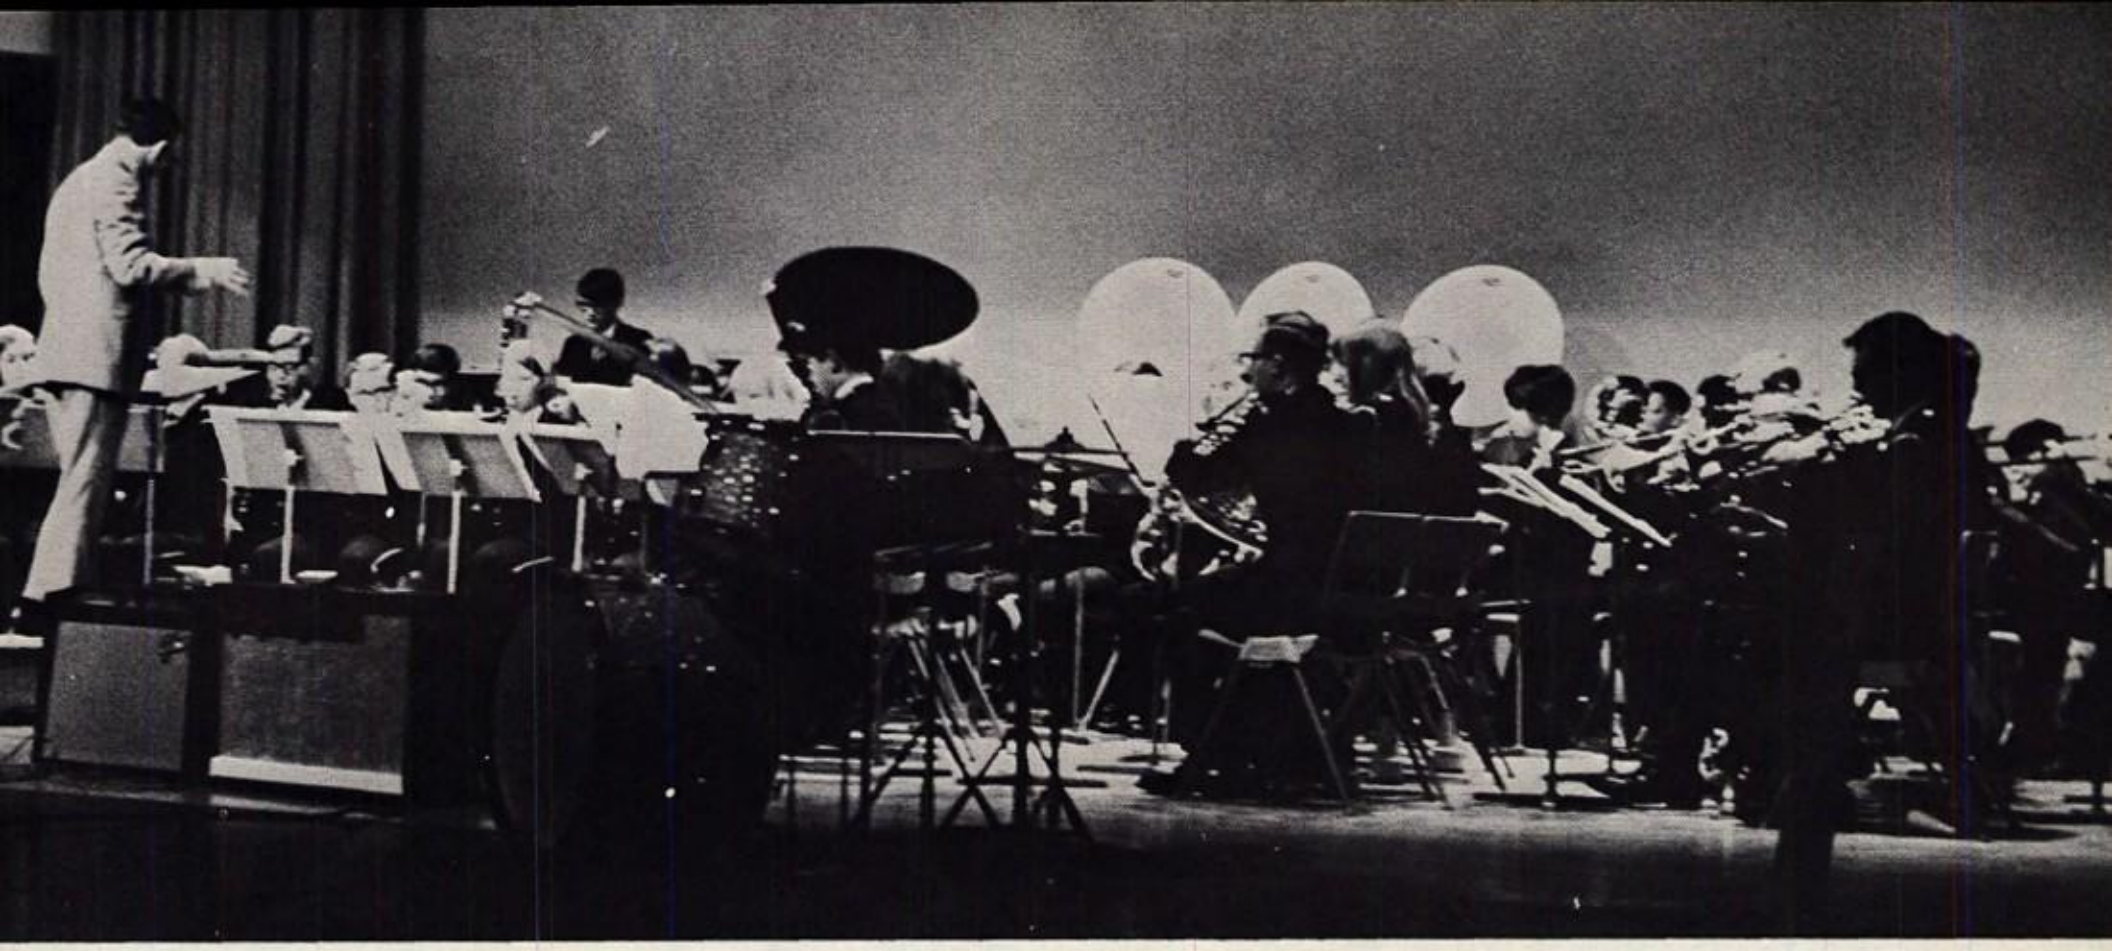
Better Student Life Motivated



By Active Groups Through . . .

. . . ORGANIZATIONS

School is not comprised of textbooks, classrooms, and assignments alone–indeed those who cherish the fondest memories of school days will point out that the associations and exertions of group activities coupled with the fun and often the frustrations of club work have created a more lasting impression on their minds than any textbook, classroom or assignment could ever do.

Goodrich High School proudly presents a wide variety of organizations and activities designed to create such impressions for those who know that this is also a very important part of school life.

Student Council Sponsors All-School Activities

The Student Council is the most important club in the school, for it is the student government. Through this club, every student in the entire school has an opportunity to express his opinions. Student Council is an outlet for present feelings about school policy in that it talks matters over and tries to amend or correct present policies. Over all, the Student Council is of service to every student enrolled in high school.

This year the Student Council has continued being of service to the student body through its many projects. It began the year with sophomore orientation, Homecoming and held class elections. It again helped in the Save the Children Federation drive. The Student Council sponsored many events during the winter, such as, a Christmas decorating contest, a Christmas Assembly, and Winter Formal. With the coming of spring, the Domestic Exchange Program was enlarged and in conjunction with this, Workday was initiated into the program to finance this activity. The Council also felt that it sponsored the best Variety Show ever. The Student Council has had a busy year, but hope to make next year even better.

National Honor Society

New members of the National Honor Society were installed during the spring of 1967. This group was chosen according to ratings given them by the faculty on the basis of the students' leadership, scholarship, citizenship, and service.

Throughout the year, various activities were conducted by the work of diligent committees and the officers: Gary Sadoff, president; Carmen Giese, vice-president; Karen Rose, secretary; Mike McCullough, treasurer. One of the main projects of the N.H.S. was the organization and operation of a school paperback bookstore.

The members of the N.H.S. wish to thank our capable advisors, Miss Haack and Mrs. Tonjes, as well as the student body and other faculty members for their continuous support in all of our endeavours.

Ski Club

The Ski Club got off to a fast start this year and membership nearly doubled from last year. The events of last year so encouraged students that many more were eager to take part in the club activities. The enthusiastic slate of officers and the executive board met several times and made plans for many trips to Little Switzerland on alternating Wednesday and Thursday evenings. Two weekend trips were planned – one to Rib Mountain and the other to Pine Mountain. An evening was spent with the Schneegeister Ski Club viewing some thrilling moving pictures taken at Aspen, Colorado. Mr. Jack Hopper met with the entire club at an early meeting to talk about ski equipment and ski safety. Depending on conditions a longer trip will be planned for several days during the spring recess.

Young Debaters

Serve Well

For Goodrich

DEBATE CLUB

What can we do about crime in the U.S.? Goodrich debaters tried to convince their opponents that we should (affirmative) or should not (negative) have Congress establish uniform regulations to control investigation procedures; investigation of criminal activities.

Leading the way for the young Fondy team were juniors Betsy Georg, Tom Noe and Bob Lemke. Performing well and gaining valuable experience were promising sophomores Sue Leake, Stu Manis, David Anderegg and Lee Geiger. Adding experience to the squad was senior Vicki DeVelice.

The past season was not outstanding in terms of victories but valuable experience in developing ideas and presenting arguments was gained by those participating. This experience coupled with the expected return of some veterans, active several years ago, should lead to further success in the coming year. The general topic for next year; The Draft.

Band, Orchestra Strive For

Perfection

Many hours of practice by the Goodrich High School band were needed and the result was tremendous, all performances were well received and appreciated by those who attended. Besides working hard, the members of the band were able to get much enjoyment out of this activity. Among several select groups formed this year was "Los Banditos", a take-off from the Tijuana Brass.

Vocal Groups Display

The choir year commenced with the production of "My Fair Lady" and it got off to a good start as members of both choirs were given a chance to participate in either the cast or crew. The annual choir contest provided an opportunity for the members to display their real talent. All in all the choirs had a very successful and rewarding year.
